

‘Say less & ask more’

Have you caught yourself giving just one too many offers of examples or suggestions? Started to think about how to stay curious a little longer, rush to action and advice-giving a little more slowly..... helping others to grow and solve problems through mastering the art of starting with questions is a skill and a habit.

Attend this interactive 90-minute session to discover:

- ✓ How to prepare to coach
- ✓ Using the GROW model & 3 levels of strategic questioning

These can be tailored for small or large groups
